February 2021

**CHEL TENHAM  
BOURNSIDE  
SCHOOL**

Empowering lives  
through learning

## Teacher of Music

**Start date: 1 September 2021**

**Salary: MPS/UPS**

**Permanent and full time**

An outstanding opportunity has arisen to work in Gloucestershire's largest comprehensive school.

We are an established 11-18 single academy trust with a good reputation (Ofsted 'Good' rating 2016), wide catchment, and a strong presence in our community. Our school is consistently oversubscribed with a PAN of 300, and most of our students choose to stay with us for their post-16 study.

We are looking to appoint an enthusiastic and committed teacher of Music to deliver our music curriculum at key stage 3, 4 and 5. Music is central to the life of our school and the successful candidate will be joining a highly successful and motivated team of teachers who not only secure excellent exam results, but also offer a rich array of concerts and performances to our school and local community across the academic year.

**Applications by:  
9am on Thursday 4 March  
2021**

The successful candidate will be willing to be part of the department's ambitious vision and contribute to the school's extensive extra-curricular programme.

The department accommodation consists of three well-resourced teaching rooms, a recently renovated ICT suite, and 4 dedicated peripatetic teaching rooms. As a result of the high standards and opportunities offered by our music team, we regularly secure good numbers at GCSE and A Level via the OCR specification. Contrary to the direction of many schools, there is currently a vision to expand our music provision at key stage 5 in the coming years.

We are an equal opportunities employer and value and respect diversity across our whole school community. Bournside is committed to safeguarding and promoting the welfare of children and young people. All posts are subject to an enhanced DBS check. We reserve the right to interview and appoint prior to the closing date.

## Welcome to Bournside

### People are at the heart of Bournside.

Our staff and students are **Ambitious, Purposeful, Proud, Respectful, Curious, and Supportive**. These are our values and whilst you'll see them written on our website and on our corridor walls, where you'll really see them is in the way we work together, the way we talk to one another, the way teachers teach and students learn, and the way we ensure that every day, in and out of lessons we are living our vision: **empowering lives through learning**.

Bournside is a large school with over 200 staff and 1,800 students. That means we have the resources to provide a wealth of opportunities: a sports centre and 4G sports pitches; a fully equipped Drama studio, a large library, specialised English and Maths blocks, 12 science labs and specialist design, technology, computing and media rooms. Our highly successful sixth formers have their own large base with numerous study rooms.

No one gets lost in the crowd, however. The size of our school means that whatever your role, you'll benefit from having a dedicated, specialist team around you. Furthermore, everyone is a member of one of our six houses; coupled with our vertical tutor group model, the house system aims to nurture and enhance a sense of family and community, strengthen home/school communication, and provide opportunities for older students to act as role models for younger students, enabling them to have meaningful conversations about school life and their future aspirations.

It's not at all unusual for several generations from the same family to have been part of Bournside school. We've been part of the community of Cheltenham for many years having moved to our present site in Warden Hill in the early 1970s. Our value to the local community is developed in many ways: working closely with our neighbouring schools, taking the arts into the community, being the central hub for very many sports local sports teams, and, of course, being the school of choice for families in our part of Cheltenham and beyond.

I recommend you contact Mike Stratford, Deputy Headteacher: [ms@bournside.gloucs.sch.uk](mailto:ms@bournside.gloucs.sch.uk) before making your application. I would also very much encourage you to visit our school so you can see for yourself why it is a wonderful place to work.

There is a wealth of information about our school on our website, along with an application form should you wish to apply. We also ask for a supporting statement (maximum 2 sides of A4) outlining how you feel your experience, skills, and attributes would enable you to make a significant impact in the role. The deadline for applications is 9am on Thursday 4 March 2021.

I look forward to receiving your application to join us in **empowering lives through learning**.

Lucy will be your induction mentor during your first year. You will also be assigned a personal mentor based in your subject area to support you in understanding and coping with your new role.

### Your mentor

Your mentor – probably your line manager – will meet with you regularly for review meetings. They will also help oversee the holistic view of your progress as a NQT which includes looking at teaching, planning, your role as a tutor, progress, contributions to extra curriculum provision, and marking. Your mentor will observe you teaching every 6-8 weeks.

This should be a collaborative approach throughout the year as part of the process of action planning focusing on areas/activities for development. Your mentor will ensure you have access to a Bournside Staff Handbook, and support throughout your first year.

As your induction tutor, Lucy will meet with you to complete the 3 formal assessments that form part of your NQT year. These consist of a lesson observation prior to end-of-term assessment, and a formal assessment meeting. As a NQT, you will have a reduced timetable for the first academic year.

We use an online tracker aligned with the Teacher Standards which you can use with your mentor for recording evidence and tracking areas/activities for development throughout the year.

### What our NQTs say:

*"As a well-supported NQT in a vibrant and forward-thinking school, I have been given fantastic opportunities to develop schemes of work and provide whole school initiatives to further improve teaching and learning."*

*"I've been given the opportunity to develop schemes within my department, also take responsibility of how the department budget is spent and opportunities to contribute to extracurricular school life in a stimulating and supportive environment."*
