### **Head of Mathematics Required for September 2019 TLR 1 (£8456)**

We are looking for an inspirational teacher to lead our Mathematics Department and stretch and challenge our academically able students. It is essential that the successful candidate has the ability to teach to A-Level as this is a very popular subject within our Sixth form.

This is an exciting time to join DGSB. We are currently in the early stages of a major re-development project as part of the Priority Schools Building Programme, which will enable us to design a brand new learning environment with facilities that provide an exceptional education for our students.

We welcome applications from teachers with experience in both selective and non-selective schools and provide a comprehensive induction and CPD programme for teachers at all stages of their career. Additionally, we also offer non-contributory access to the Benenden Healthcare Scheme.

Application packs are available from the school website or by contacting Tracey Ramsden, Headteacher's PA on 01304-216810. Alternatively please email: [tramsden@dgsb.co.uk](mailto:tramsden@dgsb.co.uk). Applications should include a completed application form and supporting letter.

We are committed to safeguarding and promoting the welfare of our students and expect all staff to share in this commitment. The successful candidate will be required to undergo appropriate child protection screening including an enhanced DBS check.

Dover Grammar School for Boys is an Equal Opportunities Employer.

The closing date for applications is:

**Tuesday 19<sup>th</sup> March at 12 noon.**

**Interviews: TBC**
